25X1A

25X1C

b. Mr. Proctor queried whether the area of the anticipated

[]

c. [] of OSR has been assigned as assistant to Col. Kennedy on the NSC Staff.

d. George Cary of OLC stated that the briefing of Senator Mondale by [] (NIO) and [] (OSR) went well. He was particularly impressed by [] grasp of her subject.

25X1A

25X1A

e. Mr. Colby has asked that the DDI provide George Cary with another list of instances where CIA substantive intelligence contributed to the saving of money or helped maintain the peace over the past five years.

f. Sam Wilson (IC Staff) convened a meeting of the USIB Committee Chairmen. Each gave a report on their contributions to intelligence.

g. Mr. Colby feels that the Agency must shift from a passive to an active role on the question of congressional oversight arrangements. He has asked for assistance in developing a CIA position which he could offer to the President.

h. In response to Mr. Allen's query, it was ascertained that the DDI Management Staff will be distributing a checklist for use in arriving at CERs. It was also stated that the five CER categories are intended to rank people in descending order, meaning that category 3 will include middle-ranked persons as well as those in transitional status.

2. [] will give a briefing at 1030 in the NPIC auditorium on 25 September on the status of energy resources problem.
